CITY AND COUNTY OFFICIAL PAPER

FREE COINAGE 16 to 1

For President and Silver: W. J. BRYAN, of Nebraska.

For Vice-President. ARTHUR SEWALL, Maine.

For Delegate, "OUR MARK"

UNDER WHICH PLAG?

"We are unalterably opposed to the single opposed to the single opposed to every measured and the immediate our currency or impair restoration of the free and unaimited coinage try. We are therefore, of gold and silver at opposed to the free the present legal ratio of 16 to 1, without waiting for the aid or consent or of any other nations of tion. We demand that the world, which we the standard silver dollar shall be a full legal promote, and until such tender, equally with gold, for all debts, public or private, and we gold standard must be favor such legislation as will prevent the demonetization of any lkind of legal tender monety by private contract."

"We are Junalterably "We are Junalterably copposed to every measurement of accounts of a preserved of the pair of the world which we for pixely with a preserved. The publican as will prevent the demonetization of any lkind of legal tender monety by private contract."

It looks very much like that Bryan will carry McKinley's own state. His electoral vote will be nearly 300,

The receptions being tendered "Our Mark" by the voters of Cochise county in the different precincts make it only a question of majorities.

Editor Fred A. Anderson, editor of the Rincon Weekly, is under indictment for libel for having referred to Gov. Thornton as "Tapeworm Bill."

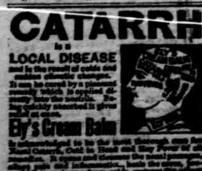

Chairman Jones, of the national committee, is confident that Nov. 5 will not only see the election of Bryan but also a free allver house of representatives and an increase of free coinage strength in the senste.

THE Gazette daily makes som sledge hammer arguments in favor offree coinage and Our Mark, In speaking of the goldbug resolution in the territorial republican platform it makes some pointed "drives" that his the spot and it is true The miners of Cochise county, with the memory of past greatness and prosperity before them, thinking of the days gone by in Tombetone, days that are green in the memories of the past, and memorable In the history of Arizona's prosperity, as they who remain look out upon the many tenantiess houses, smokeless furnaces and abandoned mines, will recent such unwarrantable and unpardonable impudence and teach them a lesson that will be with them for all time. Tombetone to no exception to the rule of depopulated mining towas in Arizons and in fact such a condition prevails throughout the entire silver producing states and territories of the
